IEC61000-3-3:2013+A1:2017

**Countries considered:** Bahrain, Kuwait, Oman, United Arab Emirates

This is to certify that the tested sample is in conformity with the Essential Requirements on Safety and Electromagnetic Compatibility as laid out in the Gulf Technical Regulations indicated above.

The certificate is valid for 3 years from the initial date of issue and consists of this page and Annex I. When providing copies of this certificate it may only be reproduced in its entirety.

This certificate does not imply assessment of the production of the product and does not permit the use of a TÜV Rheinland mark of conformity.

The Gulf conformity marking may only be used if all relevant requirements are complied with.

Further conditions of validity as mentioned in the Gulf Technical Regulations and the Testing and Certification Regulations of the Notified Body have to be observed.

Issued by

Date of issue: 30.07.2018  
Valid until: 29.07.2021

  
Dipl.-Ing. Thomas Berns
